# OUR WOODLANDS

Roundoak is set in the heart of the Kentish countryside, on the southerly slopes of the Greensand Ridge overlooking the beautiful weald of Kent.

The mainly grassland farm now consists of approximately 180 acres including 5 acres of natural oak woodland at Sutton Valence.

We want to preserve our woodlands, so we only hold a limited amount of weddings and events each year, this makes sure our woodland never looks tired and makes our venue event more special..

We constantly utilise the surrounding woodland to make it as natural and as beautiful as possible. We have our Bothy Bar, that is ideal for hosting reception drinks/canapés and our rustic stage that fits in well within the natural setting.

# MAKE YOUR DAY UNFORGETTABLE
